... FIND A GREAT
 FUTURE...
 HELPING OTHERS
 FIND THEIRS!

At Douglas College, an innovative, post-secondary institution, we are preparing students for the challenges of a modern, evolving world. Through the collaboration of a dynamic faculty and staff, Douglas delivers an array of award-winning programs. These are the tools that will positively impact lives – and a person’s potential for success. Come join us in leading the way:

Instructors

- Biology Department
- Bachelor of Arts in Child and Youth Care
- Behavioural Interventionist Citation Program
- Financial Services Marketing Contract Lecturer

Operations Manager – The Training Group

The Operations Manager will lead the development of new business and strategic directions for the Surrey Training Centre. The successful candidate will demonstrate extensive program and operational management knowledge and experience within a complex organizational environment. He/she will have strong leadership, communications and management capabilities.

Computer Technician (Help Desk)

The successful candidate will be a dynamic individual with excellent customer service skills to provide first level technology support in an educational environment. As an AV specialist with IT support skills, the incumbent in this position will have a strong command of the English language to deliver technical solutions to clients in person and by telephone, must also have demonstrated abilities and experience in a Help Desk environment, and be able to work independently or within a team.

Geology Laboratory Technician

Douglas College offers an excellent salary/benefits package, including indexed pension plan, on-site fitness and daycare facilities, and opportunities for professional development.
